

COUNTY OF YORK

MEMORANDUM

DATE: April 18, 2005 (BOS Mtg. 5/3/05)
TO: York County Board of Supervisors
FROM: James O. McReynolds, County Administrator
SUBJECT: Household Chemical Program Agreement

In response to citizen interest, on December 5, 1996, the York County Board of Supervisors adopted Resolution R96-249 authorizing the County Administrator to execute an agreement with the Virginia Peninsulas Public Service Authority (VPPSA) to implement a household chemical collection program for York County citizens. This agreement expired on March 1, 2005.

On behalf of the member jurisdictions, VPPSA issued a request for proposals seeking the continuation of household chemical waste disposal services. A new agreement between VPPSA and Clean Harbors has been negotiated; and, in turn, VPPSA is proposing a new agreement with the County that is nearly identical to the agreement executed five years ago. The County share of the agreement for FY06 is \$69,630, and these funds are available in the Recycling activity of the Solid Waste Fund.

I recommend adoption of proposed Resolution R05-75 to authorize execution of the agreement necessary for continuation of this highly successful program.
